~FROM THE PASTOR'S DESK~

*The integrity of the upright shall guide them: but the perverseness of transgressors shall destroy them. Proverbs 11:3*

People generally want to believe that the decisions they make are actually going to lead them to a place they wish to be. We all need some kind of guide to make sure we are not just wasting our time. *Integrity* can serve us well in life. The word is understood as the quality of being honest and morally upright.

Now in order for integrity to have its complete work, one must have the foundational convictions present in the Bible. Though it is possible for a lost person to have a measure of integrity we must remember that scripture admonishes that *whatsoever is not of faith is sin Romans 14:23*. Integrity, not coupled with faith in Christ is perverse. In the end, such a person will be considered a transgressor and shall be destroyed.

*However, the integrity of the upright shall guide them.*

Bro. Doug
